

CROWN SELECT

Induction-Ready Stock Pots, Braziers & Double Boilers

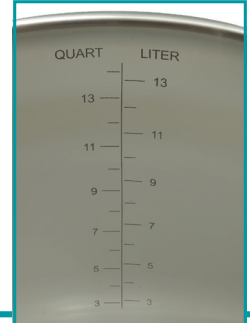

Heavy Metal

This collection of uniquely styled stainless steel induction-ready cookware will provide you the value you need combined with the durability foodservice professionals demand.

Large ergonomic handles are securely fastened with four heavy-duty rivets to make lifting and move these stock pots, braziers and double boilers easier, especially for the 40, 60, 80 and 100 quart sizes!

Interior measurement tables are included in all stock pots, braziers & double boilers for ease of use!

Double Boilers

CDB-12 CDB-16

Braziers
