- c. Krowne shall pay transportation charges for the return of any defective portion of the Equipment. If returned Equipment is repaired or replaced under the terms of this Warranty, Krowne will prepay transportation charges back to Purchaser; otherwise, Purchaser shall pay transportation charges to return the Equipment back to the Purchaser. All returns must be pre-approved by Krowne before shipment. Krowne shall not be obligated to pay freight for any unapproved return.
- d. Any replacement parts or Equipment will be new, comparable in function and performance to the original part of Equipment, and warranted for the remainder of the Warranty Period. Purchasing additional parts or Equipment from Krowne does not extend this Warranty Period.

2. Exclusion from Warranty Coverage

The Warranty provided by Krowne does not impose any duty or liability upon Krowne for:

- a. Any damage occurring, at any time, during shipping of Equipment unless otherwise provided for in the Agreement. When returning Equipment to Krowne for repair or replacement, Purchaser assumes all risk of loss or damage, and agrees to use any shipping containers that might be provided by Krowne and to ship the Equipment in the manner prescribed by Krowne;
- b. Damage caused by the failure to provide a continuously suitable environment, but not limited to: (i) neglect or misuse, (ii) a failure or sudden surge of electrical power, (iii) improper air conditioning or humidity control, or (iv) any other cause other than ordinary use;

- f. Any statements made about the product by salesmen, dealers, distributors or agents, unless such statements are in a written document signed by an officer of Krowne. Such statements as are not included in a signed writing do not constitute warranties, shall not be relied upon by Purchaser and are not part of the contract of sale;
- g. Any damage arising from the use of Krowne products in any application other than the commercial and industrial applications for which they are intended, unless, upon request, such use is specifically approved in writing by Krowne; or
- h. Any performance of preventive maintenance.

4. Lifetime Warranty Products

The Lifetime Warranty for the Krowne Metal Corporation Gas Hose ("Gas Hose") is valid solely for the lifetime and duration of the Equipment to which the Gas Hose is connected for operation (the "Lifetime Warranty"). 6. Assignment of Rights

The Warranty contained herein extends only to the original Purchaser of the Equipment and no attempt to extend the Warranty to any subsequent user or transferee of the Equipment shall be valid or enforceable without the express written consent of Krowne. Any attempt by Purchaser to assign this Warranty shall render the Warranty, but not any disclaimers or limitations, void, and the goods shall be sold AS IS.

7. Component Pass Through Warranty

Except as provided herein, although Krowne does not warrant components, it will pass through any warranties received by third-party component suppliers, to the extent permitted by the terms and conditions of such warranties.

8. Notice and Time of Claims.

Purchaser shall make any claim for loss or damage to Equipment sustained during shipment within five (5) days of receipt of such Equipment.

9. Dispute Resolution

Any dispute between the parties will be resolved exclusively and finally by arbitration and conducted under the assigned arbitrator rules, except as otherwise provided below. The arbitration will be conducted before a single arbitrator. The arbitration shall be held in Essex County, New Jersey. Any decision rendered in such arbitration proceedings will be final and binding on each of the parties, and judgment may be entered thereon in any court of competent jurisdiction. This arbitration agreement is made pursuant to a transaction involving interstate commerce, and shall be governed by the Federal Arbitration Act.

10. Governing Law

Both parties consent to the application of the laws of the State of New Jersey to govern, interpret, and enforce all of Purchaser and Krowne's rights, duties, and obligations arising from, or relating in any manner to, the subject matter of this Warranty, without regard to conflict of law principles.
