"C" = Convection Oven, "SB" = Storage Base, "G" = Manual Griddle Top.
Griddle on the left, storage base on the right.

Combo base options available – choose standard, convection ovens, or storage base.
Contact factory for other options.

COMBUSTIBLE WALL CLEARANCES: For use only on noncombustible floors. Legs or casters are required, or 2" (51) overhang is required when curb mounted. Clearance from non-combustible walls is 0". When unit is placed next to combustible walls, clearances must exceed 12" (305) from sides, and 4" (102) from rear. Commercial cooking equipment requires an adequate ventilation system. For additional information, refer to the National Fire Protection Association's standard, NFPA96 "Vapor Removal from Cooking Equipment." (NOTE: For North America only)
