TuxTrendz®

Artisan

Each piece looks and feels as if it was hand-thrown, creating a rustic and unique presentation. The lush, vibrant glazes react differently with each firing, so every piece is truly an original. Available in five colors inspired by the deserts of California: Agave, Mojave, Night Sky, Red Rock, and Sagebrush. The collection is consistent across each item, allowing space-saving stackability that is so important in the restaurant industry.
