TRUSTED DINNERWARE

Opal® and Zenix® have long been the professional material of choice. Consistently delivering on its promise, Opal and Zenix are lightweight, stackable, strong, hygienic and budget-friendly. Focus on your diners and worry less about your dinnerware.

ARCOROC

Opal Advantages:

- 100% glass – Environmentally friendly choice
- 0% porosity minimizes the risk of bacteria transfer
- Fully Tempered treatments adds 3x the strength
- Material brilliance withstanding 2,000 industrial dishwashing cycles

Zenix Advantages:

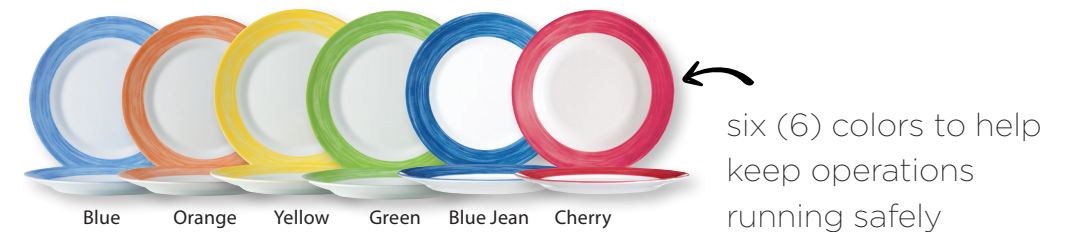

- Mineralized dinnerware up to 7x stronger than other materials on the market today
- One homogeneous piece without a glaze reduces the risk bacteria transfer
- Material brilliance withstanding 2,000 industrial dishwashing cycles

*Opal and Zenix materials are formed at extremely high temperatures making one solid homogeneous piece that does not require a glaze. This makes these materials 100% non-porous and more resistant to bacteria.

- EXAMPLE ONE-

For larger dining outlets, your staff or diners can pre-order meals and pick up before heading to the cafeteria. Didn't pre-order? Use for in-room service. Used items can be collected or returned to a designated area.

- EXAMPLE TWO-

For grab and go/cafe options, delight your diners with packaged entrees. Salads, pastas, sandwiches- the options are endless. For easy returns, designate a place for diners to return used containers or have the option for them to be collected from their rooms.

Reusable 'To-Go' Solutions That Are Transforming The Market

.....

The to-go market is growing! Keep N Box is your sustainable and reusable solution. Through reusable programs, your diners will be engaging in an entirely new way. When diner(s) returns for another meal, they would return used items to a designated area. Create a loyalty program and offer a small discount with points gained.
