Specifications

Master Series briquette broiler with stainless steel front & black power coat sides. Broiling area consists of heavy-duty rack sections which are easily moved for flat or tilt position broiling. Dual-sided, cast-iron broiler grates with 1/2" (13mm) rounded bar, (board brand) and diamond (fine) pattern on opposite side. 15,000 BTU (4.39 kW) burners controlled by individual Hi-Lo valves. Large capacity, full-length grease drawers. Heavy-weight, long-lasting briquettes. Cabinet, 17" (432mm), 24" (610mm), or 34" (864mm), wide by 34" (869mm) deep, with two stainless steel full-sized hinged doors and front. Natural gas or propane. Available in modular models, suffix BT

NOTE: Broilers suppled with casters must be installed with an approved restraining device.

NOTE: All Master Series ranges, attachments, fryers, and broilers require a high shelf or backguard flue attachment - sold separately.
