

Identification system

Savings: Does away with inconvenience and cost of having to replace labels. No need to stick and peel off paper labels.

Easy to use & convenient: A label that provides all the information required by health authorities, just write the information on the label with an ARAVEN marker.

Hygienic: Integrated label; leaves no traces; as good as new after washing in a dishwasher.

HORECA Marker:

Specially designed by ARAVEN to help catering professionals comply with traceability regulations.

To facilitate the use of labelled containers, ARAVEN presents its HORECA marker with permanent water-based ink that can be washed off in a dishwasher. Just write the information on the label and when the container is washed, the writing can be rinsed off with water or will disappear by gently rubbing it under a flow of hot water.
