

# FauxFlame™ FFS1425-4G

## DESIGN

The FauxFlame range of rotisseries has been designed with performance, practicality and mobility in mind. Light weight and compact FauxFlame is the ideal rotisserie for markets and food trucks and offers rapid production together with excellent cooking quality.

Conscious of the costs involved for our clients, the FauxFlame rotisserie has energy-saving infrared burners, patented by Rotisol, that enable the rapid roasting of a variety of products.

Shoppers are enticed by the attractive sight and appetizing smells of roasting poultry, beef, lamb, vegetables, and even fruit. An array of accessories allows for the rapid roasting of a wide variety of products.

## FEATURES

- Independent motor for each spit
- 4 Spatchcock Baskets with Bakelite handles
- Independent infrared gas burners with interchangeable ceramic bricks
- 2 K-glass doors (removable for transport)
- Bottom drip tray with drainage tap
- Optional lighting

## TECHNICAL DETAILS

Overview of some of the standard features.

	<p>Replaceable ceramic bricks for significant financial savings</p>		<p>Robust hinges designed for heavy use, with integrated locking in open and closed positions</p>		<p>Gas safety! Separation of the gas and electric chambers avoids any risks of explosion.</p>
	<p>Independent floating, swinging and adjustable motors for easy placement and removal of spits</p>		<p>Anti-scald K-glass reduces external thermal radiation (energy saving). Glass overlaps drip pan to keep splatters inside (anti-slip protection).</p>		<p>Removable inside side-panels double protection from grease seeping into motors and other sensitive parts.</p>

## ACCESSORIES
