SERVICE IDEAS INC

- Flat Pack Double Airpot Wire Rack in Black

Holds two airpots with up to a 7.5-inch base for organized beverage stations. Ships flat to minimize shipping costs and storage space. Tool-free assembly allows for quick, hassle-free setup. Durable black powder-coated stainless steel frame ensures long-lasting use. Removable black drip trays make cleaning fast and easy

MARKETING

The Service Ideas Flat Pack Wire Airpot Rack offers a smart, space-saving solution for beverage service—both in use and in shipping. Designed to hold two airpots with up to a 7.5-inch base, this rack arrives unassembled to reduce shipping volume and storage space, then easily clicks together without tools. Once assembled, it provides the same durability and clean presentation as our traditional airpot racks, thanks to its black powder-coated stainless steel wire frame. Removable black drip trays help maintain a tidy station and simplify cleanup between services. Perfect for convenience stores, healthcare facilities, and breakrooms, the Flat Pack Wire Airpot Rack offers structure and reliability without the bulk.
