MARKETING

Perfectly balanced in capacity and design, the 1.5-gallon Universal Thermal Container brings upgraded functionality to everyday beverage service. Featuring a cam-lock lid that folds forward to lock and back to release, it streamlines both brewing and serving. The flat-edged lid, chainless hinged brew-thru cover, and enhanced splash guard promote a cleaner, sleeker presentation. With a backup sight glass and cleaning brush included, maintenance is simple. Built to keep beverages hot for up to six hours, it's ideal for busy mid-sized stations.
