

Clear Tea Dispenser

REVEAL THE BEAUTY OF ICED TEA

The **Clear Tea Dispenser** gives a new look to tea service; designed with a clear tank constructed with BPA-free Tritan™ for glass-like clarity and added strength that won't warp in the dishwasher. Unlike other plastics, this tank won't stain after repeated use with tea. Built-in hand grips make it easy to take it from brewer to counter for final display on its black base. Add the plastic brew stand accessory to minimize potential splashing while brewing. Infuser tube now included for flavored water!
