

# FF6LBI7NZADA

32.25" x 23.63" x 23.5" (H x W x D)

Commercially approved ADA compliant Nutrition Center series all-refrigerator in white for built-in or freestanding use, with front lock and digital temperature display

## Highlights:

Commercially approved to NSF-7 standards

Digital temperature display and audible alarm allows easier temperature monitoring as recommended by JCAHO

Thermometer is NIST calibrated in our ISO/IEC 17025:2005 laboratory

## Product Features:

|                                     |                                                                                                                                                                                                 |
|-------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Commercially approved               | ETL-S listed to NSF-7 commercial standards for food and beverage storage                                                                                                                        |
| ADA compliant                       | Sized at 32" high for use under lower ADA compliant counters                                                                                                                                    |
| Built-in capable                    | Make the best use of space by installing your appliance under the counter and flush with other cabinets                                                                                         |
| 24" footprint                       | Conveniently sized to offer sufficient capacity in a slim fit                                                                                                                                   |
| NIST calibrated temperature display | Thermometer provides continuous display of the current and high/low temperature to the nearest tenth of a degree, with a readout switchable from Celsius to Fahrenheit at the touch of a button |
| High/low temperature alarm          | Audible alarm sounds if the interior temperature rises or falls out of set range                                                                                                                |
| Versatile display                   | Temperature display can be switched from Celsius to Fahrenheit at the touch of a button                                                                                                         |
| Factory installed lock              | Top-mounted keyed lock for convenient security, with two keys included                                                                                                                          |
| Automatic defrost                   | Reduced maintenance with auto defrost system                                                                                                                                                    |

## FF6LBI7NZADA Specifications:

| Overview                   |                    |
|----------------------------|--------------------|
| Height of Cabinet          | 32.0" (81 cm)      |
| Height to Hinge Cap        | 32.25" (82 cm)     |
| Width                      | 23.63" (60 cm)     |
| Depth                      | 23.5" (60 cm)      |
| Depth with Handle          | 25.13" (64 cm)     |
| Depth with door at 90°     | 46.13" (117 cm)    |
| Capacity                   | 5.5 cu.ft. (156 L) |
| Defrost Type               | Automatic          |
| Door                       | White              |
| Cabinet                    | White              |
| US Electrical Safety       | ETL                |
| Canadian Electrical Safety | ETL-C              |
| Sanitation                 | ETL-S              |
| Amps                       | 1.3                |
| Voltage/Frequency          | 115 V AC/60 Hz     |
| Weight                     | 100.0 lbs. (45 kg) |
| Shipping Weight            | 110.0 lbs. (50 kg) |
| Parts & Labor Warranty     | 1 Year             |
| Compressor Warranty        | 5 Years            |
| Refrigerator Features      |                    |
| Door Swing                 | RHD                |
| Reversible                 | Yes                |
| Crisper Qty                | 1                  |
| Crisper Finish             | Opaque             |
| Crisper Cover              | Glass              |
| Shelf Type                 | Wire               |
| Shelf Qty                  | 3                  |
| Full Door Shelf Qty        | 3                  |
| Adjustable Shelves         | Yes                |
| Thermostat Type            | Dial               |
| Refrigerant Type           | R134a              |
| Refrigerant Amount         | 1.8oz.             |
| High Side PSI              | 285.0              |
| Low Side PSI               | 70.0               |
| Level Legs Qty             | 4                  |
| Interior Light             | Yes                |
| Temperature Range          | 35 to 39°F         |

| Dimensions             |                |
|------------------------|----------------|
| Interior Height        | 27.75" (70 cm) |
| Interior Width         | 20.0" (51 cm)  |
| Interior Depth         | 17.5" (44 cm)  |
| Compressor Step Height | 7.0" (18 cm)   |
| Compressor Step Width  | 20.0" (51 cm)  |
| Compressor Step Depth  | 6.0" (15 cm)   |
