

## California Proposition 65

*California's Proposition 65 entitles California consumers to special warnings for products that contain chemicals known to the state of California to cause cancer, and birth defects or other reproductive harm if those products expose consumers to such chemicals above certain threshold levels. We care about our customers' safety and hope that the information below helps with your buying decisions.*

The standard Proposition 65 warning reads as follows:

**WARNING:** This product may contain chemicals known to the state of California to cause cancer, and birth defects or other reproductive harm.

Additionally, we are providing the following specific warnings for products linked to this page:

### **BPA-containing Polycarbonate Products**

**WARNING:** This product may contain a chemical(s) known to the state of California to cause birth defects or other reproductive harm.

### **Glass**

**WARNING:** Some glassware products may be manufactured with lead or other chemicals known to the state of California to cause cancer and birth defects or other reproductive harm.

### **Metal Kitchen Tools**

**WARNING:** This product can expose you to lead, which is known to the state of California to cause cancer and birth defects or other reproductive harm.
