

The Versatile Fixture Solution

The Planniq™ Core system can be used to highlight an array of product varieties from salty snacks to automotive equipment.

High-Quality Economical Design

Sturdy metal construction and cost-effective engineering provide an affordable solution with long-lasting durability.

Easy Assembly

Limited hardware needed. Save time and man- power with Planniq™ Core's quick and easy assembly process.

Components Compatible with Planniq™ Tech

The Planniq™ Core system coordinates perfectly with ImageWorks' Planniq™ Tech system through use of shared shelving and accessories. Together these systems provide unmatched capability compared to traditional display options.

Accessories

4ft wide 16in deep angled wire shelf

4ft wide 16in deep flat metal shelf
