FRONT-ACCESS DUAL ZONE DISPLAY MERCHANDISERS

Glass & Mirrored Ends

Two (2) rear sliding glass doors for back access

Three (3) tiered levels of adjustable wire cantilever shelves that match cabinet interior color. Chrome plated wire shelves standard on stainless interior units

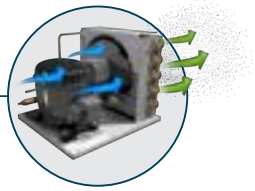

Front glass swings up for easy cleaning access

Exclusive reversing condenser fan motor. Fan motor reverses during defrost off cycles to help keep condenser coil free from dirt, dust and debris. Keeping coils clean optimizes the unit's performance providing colder holding temperatures and increased energy efficiency. Regularly scheduled thorough cleaning of coils still recommended

Features/Benefits

- Refrigeration system that has two (2) temperature range options. Standard temperature range maintains cabinet temperatures of 33°F to 41°F (.5°C to 5°C), ideally suited for refrigerated bakery and cold deli products. Optional temperature range maintains cabinet temperatures of 42°F to 65°F (5.5°C to 18.3°C), ideally suited for chocolate & wine options.
- True's combination "refrigerated" and "dry" display case combines efficient, high volume merchandising and exceptional refrigeration with an elegant curved glass front for sophisticated presentation of high-end deli, desserts and pastries.
- NSF/ANSI Standard 7 compliant for open food product. Tested and certified for performance at NSF Type II: 80°F (27°C) and 55% relative humidity.
- Exterior - powder coated FDA black rounded front and back, black aluminum aesthetic side and front panels. Color options available at no charge - white or stainless. Curved glass front and side glass panels.
- Interior - powder coated FDA white over CRS material. Color options available (upcharge applies) - black or stainless.
- LED interior lighting provides more even lighting throughout the cabinet. Safety shielded.
- Standard in Clear Glass Ends (GE).
- TDM's have a variety of optional interior/exterior shelving available (see accessory section for details).
- Designed to provide an attractive companion to our TDM-R "refrigerated" or TDM-DC "dry case" display merchandiser.
