BUILD YOUR PLAN

- 1 Dishwasher Model: LX or AM
- 2 12 or 24 Months Hobart Care

12-month ITW warranty included with equipment – then add 12 or 24 months of Hobart Care.
Total warranty up to 36 months.

BEST VALUE

Hobart SureStart Plan
Install + 24 Months Additional Warranty by
Hobart Care

Hobart Care coverage begins automatically the moment your standard 12-month ITW equipment warranty ends – so your kitchen is covered without interruption.

The **smart choice** for installation, startup, and long-term protection. Simplify your new Hobart Dishwasher installation with one fixed-price plan that includes **professional factory-trained installation, operator training**, dedicated support, and **Hobart Care repair coverage**.

Hobart SureStart Plan

AM SERIES | LX SERIES DISHWASHERS

✓ INSTALLATION, PLUS PEACE OF MIND

HOBART CARE COVERAGE

Hobart Care provides flexible repair coverage to help keep your kitchen supported after installation.

- ✓ Access to a network of 1,200+ factory-trained technicians and genuine OEM parts
- ✓ Repair-focused coverage for core equipment needs
- ✓ Standard business hours coverage, Monday–Friday, 8am – 5pm
- ✓ Dedicated Customer Care support with 24/7 assistance

EXPERT INSTALLATION

- ✓ Single-point coordination
- ✓ Site survey and pre-installation validation
- ✓ Receipt at a local office or scheduled delivery to your facility is available
- ✓ Uncrating and set-in-place in existing ground-level location
- ✓ Final hook-ups within 5 feet of existing utilities (no licensed trades required)
- ✓ Removal and disposal of existing equipment and packaging
- ✓ Startup and operator training on safe operation and cleaning

! PLAN REQUIREMENTS & EXCLUSIONS

New equipment must match the location's current specifications, including electrical, gas lines, plumbing/drains, and venting. Installation must be scheduled in advance and is completed during normal business hours, Monday–Friday, 8am – 5pm. Ask your representative for a quote for outside of normal business hours.

- | | |
|---|--|
| ✗ Utility or mechanical upgrades | ✗ More than one trip to the location |
| ✗ Stainless steel modifications or upgrades | ✗ Moving existing equipment to place the new unit |
| ✗ Floor, wall, ceiling, or roof modifications | ✗ Travel beyond a 100-mile radius from the install office by public road |
| ✗ Venting or stainless steel fabrication / modification | ✗ Refrigerant recovery fees, if applicable |
| ✗ New shut-off valves, gas connections, hoses, or misc. parts | ✗ Not available in AK or HI – pricing varies |
