COMMERCIAL DISHWASHERS

Two-in-One Performance: AMTL Door-Type Commercial Dishwasher

Get higher throughput and operational efficiency with the industry's best lifetime value.

HOBART

SMALL FOOTPRINT. BIG PERFORMANCE.

Recognizing the needs of busy kitchens, we have engineered a new kind of commercial dishwasher designed to enhance your dishroom operations. Unlike any machine on the market today, the Hobart AMTL offers two wash chambers to help optimize dishroom speed and efficiency while delivering superior wash performance.

HOBART MAKES IT EASY

- Responsive Service Team in all 50 States
- Customized Service Programs
- Installation Programs
- 18 Month & Extended Warranty
- Financing Options with Low Monthly Payments

1. Highest throughput for door machines rated at 80 racks per hour.
2. Independent wash chambers with separate pumped rinse systems increases capacity and helps ensure consistent rinse performance every cycle.
3. Top mounted touchscreen display with simple operation and wireless connectivity.
4. Multiple-cycle operations including a utensil cycle and NSF pot & pan mode for heavily soiled ware, wash lightly soiled ware in the upper section and heavily soiled ware in the lower section.

Door Type Operation – Wash larger ware in just the top section. Lower section disabled.

Two Level Operation – Wash a variety of ware on the top and the bottom to maximize throughput during peak times. Both sections enabled.

Extended/Utensil Operation – Door type operation on top and multiple wash cycles on the bottom to maintain throughput, while including extended cycle times for heavy food soils and cutlery.

Insulated 5-Sided Hood And Lower Door
Retains heat inside the machine reducing heat gain in the dishroom.

Pillarless Design
Makes loading, unloading and cleaning easier. Ability to wash a sheet pan in the top chamber.

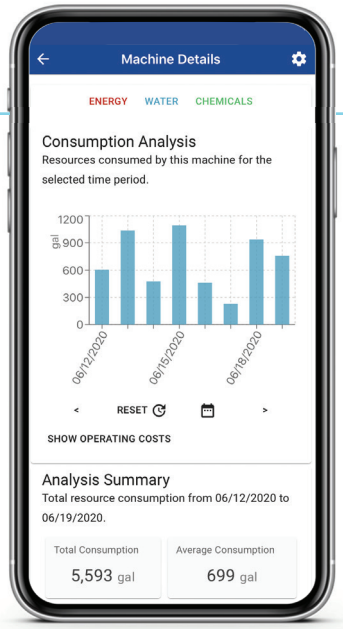

Pumped Drain
Provides flexibility for wall or floor drain installation.

Sense-A-Temp™ Booster
Helps ensure 180° sanitizing rinse on every cycle.

RACKS/HOUR	80
GAL/RACK	.62 upper chamber .62 lower chamber
DOOR OPEN	17" upper chamber 9" lower chamber

HOBART SMART CONNECT: PERFORMANCE AT YOUR FINGERTIPS

Thanks to built-in Wi-Fi, you can connect your AMTL commercial dishwasher to our easy-to-use smart phone app. With the free Hobart Smart Connect app, you can create better procedures and enhance performance in the dishroom by monitoring sanitization; analyzing usage, consumption and costs; and by getting emails for critical events.

Easily connect with your commercial dishwasher's onboard Wi-Fi.
