

Series 900 - Foodservice Towels

Cascades PRO

Tuff-Job®

**All clean.
All good.®**

Cascades PRO Tuff-Job® Foodservice Towels offer a tri-level system that covers all light to heavy-duty wiping/cleaning applications. With a range of 1-day to 1-month use towels, this Series covers all front and back-of-the-house wiping needs.

A color-coded towel system is a key component for the avoidance of cross-contamination when designating a certain color towel to a specific task.

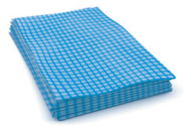

1 DAY Light Duty - Economy

Economy Foodservice Towels — designed for light-duty cleaning and wiping applications. Ideal for repeated use in cleaning up spills, or wiping down tables, counter tops and serving areas.

W900

W902

1 WEEK Medium duty - Durable, Antimicrobial and Dual Texture

Durable, Antimicrobial and Dual Texture Foodservice Towels — engineered for strength, durability and absorbency – wet or dry. Designed to handle all front-of-the-house wiping to back-of-house cleaning.

W910

W920

W913

W921

W914

1 MONTH Heavy duty - Premium

Premium Foodservice Towels — engineered for maximum durability with added nylon stitching to deliver extreme strength for all heavy-duty cleaning and wiping applications.

W930

Series 900 - Foodservice Towels

1 DAY

Light duty - Economy

- > Cost-effective option for replacement for cloth dish towel
- > Absorbent and reusable
- > Towels engineered to not break down in sanitizing or disinfecting solutions
- > Color-coding towel system can aid in reduction of cross-contamination

1 WEEK

Medium duty - Durable,
Antimicrobial and Dual Texture

DURABLE

- > Absorbent and reusable
- > Aperture design allows for better pick-up and cleaning of surfaces
- > Color-coding towel system can aid in reduction of cross-contamination

ANTIMICROBIAL

- > Engineered for strength, durability and absorbency - wet or dry
- > Contains a protection within the towel that inhibits the growth of odor-causing bacteria for the life of the towel
- > Color-coding towel system can aid in reduction of cross-contamination

DUAL TEXTURE

- > Unique dual texture that provides enhanced scrubbing ability
- > Highly durable and absorbent
- > Engineered to not break down in sanitizing or disinfecting solutions

1 MONTH

Heavy duty - Premium

- > Cloth-like durability and strength for extended reuse
- > Engineered to not break down in sanitizing or disinfecting solutions
- > Can be machine washed and dried
- > Ideal for use in grill areas, bar areas and for equipment and surface clean-ups
