

Driftstone Melamine

Blends seamlessly with the Driftstone porcelain dinnerware

WORLD
TABLEWARE

Driftstone Melamine serveware provides superior durability and lighter weight, ideal for outdoor or high-volume environments. Thanks to their lighter weight, they're easier for your staff to carry.

Features & Benefits:

- Lightweight organic shapes
- Available in 5 colors (Driftwood, Granite, Onyx, Sand and Clay)
- Virtually unbreakable, 100% melamine
- Dishwasher safe, not recommended for use in microwave
- Do not expose to heat from ovens, microwaves, heat lamps, salamanders or plate warmers
- Avoid cleaning with scouring products
- Melamine products are excluded from the World Tableware 5-year warranty

Available in 5 earthy colors
