

IGNEA

Capture the power of nature with Ignea. Inspired by cooling flows of molten lava, this high-end organic stoneware is a contemporary alternative to traditional whiteware. With a velvet-smooth finish, Ignea's dark matte glaze acts as a moody contrast to your dishes, drawing your guests' eyes to the shapes and colors of the food in an elevated-yet-earthen display.

Features & Benefits

- Modern organic stoneware features dark matte glaze that draws attention to your culinary creations
- Inspired by the flows of cooling molten lava for a refined, natural look
- Complements the simple whites of Reserve by Libbey dinnerware as well as a variety of our geometric and textural glassware and flatware patterns
