

SaniServ®

MADE IN USA

MODEL 614SAS

300
SHAKES/HR

GREAT FOR

RESTAURANTS, BUFFETS, & ICE CREAM SHOPS

The SaniServ® Model 614SAS Select-A-Shake freezer provides up to four flavors of uniform, smooth, high profit shakes! The 614SAS automatically mixes each shake uniformly to insure a perfect milkshake in the flavor desired! Owners and operators will appreciate the machine's quick recovery time and ability to provide everyone's favorite flavor quickly even during peak operating periods! The 614SAS can satisfy everyone with their favorite flavor every time!

Serving Estimate:

Up to 300 Milkshakes / hr

We reserve the right to change specifications and product designs without notice. Such revisions do not entitle the buyer to corresponding changes, improvements, additions, or replacements for previously purchased equipment.

✓ SPACE SAVING - Compact Floor Model Design

SaniServ® model 614SAS provides a high volume of milkshake in the traditional floor model design. Operators can turn that valuable floor space into a high profit center by providing consistent high quality shakes customers demand.

✓ EASY CLEANING AND OPERATION - Fewer Parts = Simplified Cleaning

SaniServ® equipment is designed and built with the fewest parts to be disassembled, cleaned and sanitized than any other machine in the industry.

✓ HIGH RETURN ON INVESTMENT - Increased Profits

SaniServ® machines combine efficiency with consistent product quality and fast, quiet operation while insuring customer satisfaction with high profit ice cream or yogurt products.

✓ QUALITY DESIGN - Durability

SaniServ® machines are built to achieve long and dependable life through simplicity of design. Every machine is shipped standard with a stainless steel exterior, durable steel interior frame construction, heavy-duty components and consistency systems.
