**✓ SPACE SAVING - Small Footprint Design**

SaniServ® model 691 provides two flavors in a countertop model design. Operators will enjoy the ease of operation and the versatility to offer two different types of frozen beverages that customers desire at the same time!

**✓ EASY CLEANING AND OPERATION - Fewer Parts = Simplified Cleaning**

SaniServ® equipment is designed and built with the fewest parts to be disassembled, cleaned and sanitized than any other machine in the industry. The state of the art solid-state AccuFreeze® control insures product consistency, worry-free operation and customer satisfaction.

**✓ HIGH RETURN ON INVESTMENT - Increased Profits**

SaniServ® machines combine efficiency with consistent product quality and fast, quiet operation while insuring customer satisfaction with high profit frozen beverages.

**✓ QUALITY DESIGN - Durability**

SaniServ® machines are built to achieve long and dependable life through simplicity of design. Every machine is shipped standard with a stainless steel exterior, durable steel interior frame construction, heavy-duty components and consistency systems.
