We reserve the right to change specifications and product designs without notice. Such revisions do not entitle the buyer to corresponding changes, improvements, additions, or replacements for previously purchased equipment.

✓ SPACE SAVING - *Small Footprint Design*

SaniServ® model 709 offers increased production without having to come in a larger design! Owners and operators can still save valuable floor space and turn the countertop into a high profit center by providing the frozen beverages customers enjoy!

✓ EASY CLEANING AND OPERATION - *Fewer Parts = Simplified Cleaning*

SaniServ® equipment is designed and built with the fewest parts to be disassembled, cleaned and sanitized than any other machine in the industry. The state of the art solid-state AccuFreeze® control insures product consistency, worry-free operation and customer satisfaction.

✓ HIGH RETURN ON INVESTMENT - *Increased Profits*

SaniServ® machines combine efficiency with consistent product quality and fast, quiet operation while insuring customer satisfaction with high profit frozen beverages.

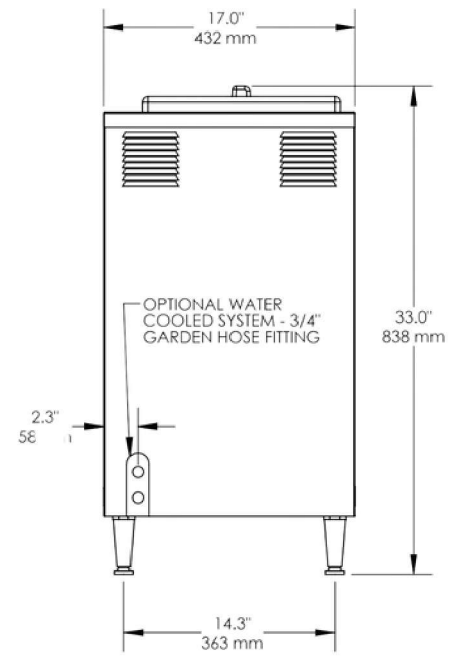

✓ QUALITY DESIGN

SaniServ® machines are built to achieve long and dependable life through simplicity of design. Every machine is shipped standard with a stainless steel exterior, durable steel interior frame construction, heavy-duty components and consistency systems.
