HIGH PRODUCTION

TWO FLAVORS IN A FLOOR MODEL DESIGN

The SaniServ® model 724 floor model frozen beverage freezer provides not one but two frozen beverage flavors in a high production floor model machine! The output and versatility of the 724 means owners and operators can offer two frozen best sellers. Because each side of the machine utilizes its own 2 HP refrigeration system, customers are always insured of getting their favorites!

MADE IN USA

HEAVY DUTY - *Floor Model Design*

SaniServ® model 724 provides a high volume of frozen beverages in the traditional floor model design. Operators will enjoy the ease of operation and the ability to utilize the 724's versatility to provide the different types of frozen beverages that customers want!

EASY CLEANING AND OPERATION - *Fewer Parts = Simplified Cleaning*

SaniServ® equipment is designed and built with the fewest parts to be disassembled, cleaned and sanitized than any other machine in the industry. The state of the art solid-state AccuFreeze® control insures product consistency, worry-free operation and customer satisfaction.

HIGH RETURN ON INVESTMENT - *Increased Profits*

SaniServ® machines combine efficiency with consistent product quality and fast, quiet operation while insuring customer satisfaction with high profit frozen beverages.

QUALITY DESIGN - *Durability*

SaniServ® machines are built to achieve long and dependable life through simplicity of design. Every machine is shipped standard with a stainless steel exterior, durable steel interior frame construction, heavy-duty components and consistency systems.
