TWO DIFFERENT FLAVORS IN ONE MACHINE

The SaniServ® model 791 counter model frozen beverage freezer can provide two frozen beverage favorites in one machine! With an independent drive system in each side of the machine, product can be easily maintained and or changed in either side when desired! The mix pan is also refrigerated to ensure quicker recovery time. By offering not one, but two frozen products, owners and operators will insure every customer stays satisfied and increase their operating profits!

We reserve the right to change specifications and product designs without notice. Such revisions do not entitle the buyer to corresponding changes, improvements, additions, or replacements for previously purchased equipment.

✓ SPACE SAVING - *Small Footprint Design*

SaniServ[®] model 791 provides two frozen beverage flavors in a counter-top model design. Operators will enjoy the ease of operation and the versatility to offer two different types of frozen beverages that customers desire at the same time!

✓ EASY CLEANING AND OPERATION - *Fewer Parts = Simplified Cleaning*

SaniServ[®] equipment is designed and built with the fewest parts to be disassembled, cleaned and sanitized than any other machine in the industry. The state of the art solid-state AccuFreeze[®] control insures product consistency, worry-free operation and customer satisfaction.

✓ HIGH RETURN ON INVESTMENT - *Increased Profits*

SaniServ[®] machines combine efficiency with consistent product quality and fast, quiet operation while insuring customer satisfaction with high profit frozen beverages.

✓ QUALITY DESIGN - *Durability*

SaniServ[®] machines are built to achieve long and dependable life through simplicity of design. Every machine is shipped standard with a stainless steel exterior, durable steel interior frame construction, heavy-duty components and consistency systems.
