We reserve the right to change specifications and product designs without notice. Such revisions do not entitle the buyer to corresponding changes, improvements, additions, or replacements for previously purchased equipment.

✓ COUNTERTOP MODEL - *Meets Your Requirements*

SaniServ® model B5 turns valuable space into a real profit center by producing a batch of high profit frozen product every time.

✓ EASY CLEANING AND OPERATION - *Fewer Parts = Simplified Cleaning*

SaniServ® equipment is designed and built with the fewest parts to be disassembled, cleaned and sanitized than any other machine in the industry.

✓ HIGH RETURN ON INVESTMENT - *Increased Profits*

SaniServ® machines combine efficiency with consistent product quality and fast, quiet operation while insuring customer satisfaction with high profit ice cream or yogurt products.

✓ QUALITY DESIGN - *Durability*

SaniServ® machines are built to achieve long and dependable life through simplicity of design. Every machine is shipped standard with a stainless steel exterior, durable steel interior frame construction, heavy-duty components and consistency systems.
