Double Speed Rails and Locking Covers

Dimensional Information

DSR- X

Double Speed Rails are available in one inch increments from 12" to 84" in length. The model number designation is DSR- X , where X = the length of the unit in inches. Double speed rails over 48" also have a center support.

DSRC- X

Double Speed Rail Locking covers are available in one inch increments from 12" to 48". The model number designation is DSRC- X , where X = the length of the unit in inches. Use multiple covers for speed rails longer than 48". (NOTE: Double speed rail locking covers are actually just two single speed rail locking covers.)
