

Z14 Nature Cabinet

Speed and efficiency combined

Features

Ideal for smaller grocery and retail outlets that need extended waste capacity. You can offer a self-service option or place behind counter for a more personalized service by having an operator serve the customer.

Recommended for locations with a medium-high consumption need in the range of 50-100 glasses a day.

Ability to produce a small batch or one serving at time; with optional 1 gal tank attachment and/or our self-serve tap for customer operation.

Squeezing kits
