

ARMADILLO® PORTABLE FILTER MACHINE LIMITED WARRANTY

PARTS WARRANTY: Any part which proves to be defective in material or workmanship within 90-days from date of original user installation will be repaired or replaced with a new or refurbished part without charge for parts, labor (upon approval from Oil Solutions Group, Inc. prior to obtaining service), or freight, on the condition that the original parts are shipped back to Oil Solutions Group, and the registration card for the filter machine has been mailed within 15 days of receiving the equipment. This warranty will extend for an additional nine (9) months for all parts (with the exception of hoses, cords, and gaskets). After inspection, a determination will be made whether the part meets the warranty requirements. Credit and warranty will not be issued if the defect is the result of alteration, use with non OEM parts, misuse, neglect, abuse, or damaged by flood, fire, or other acts of nature. If it is used for a purpose other than for which it was intended or designed, resulting damages are not covered under warranty.

PROCESSING WARRANTY CLAIMS: To activate the warranty, the equipment owner must complete and return the warranty card to Oil Solutions Group within 15 days of receiving the equipment. The equipment owner must promptly notify Oil Solutions Group of any defects by calling (888) 459-2112 or emailing info@oilsolutionsgroup.com. The equipment owner will receive a return call within 24 hours or the next business day to receive instructions and/or authorization.

This liability will not include, and the purchaser specifically renounces any right to recover special, incidental, consequential, or other damages of any kind, including, but not limited to: injuries to persons, damage to property, loss of profits, or anticipated loss of the use of the appliance. These statements are the entirety of the warranty extended to the Armadillo Filter Machine, and no other documents or oral statements will extend or change the above stated terms of this limited warranty.
