

CAFÉ TABLES

FIXED HEIGHT CAFÉ TABLE

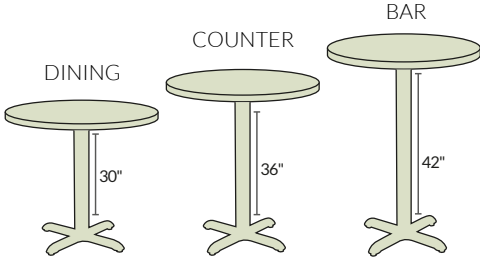

NPS Café Tables feature 1 1/4" HPL tops with T-Mold edging. Tops are available in any Wilsonart laminate. The X-base or T-base legs are made with 16 gauge 3" steel making them perfect for your toughest environments. 1/2" thick non-marring polypropylene mushroom leveling glides prevent floor scratching.

6 AVAILABLE TABLE SHAPES - 2 BASE TYPES
