

MOTAK

Single, Full-size Gas Convection Oven

Model #: **MCO-1**

This Full Size Gas Convection Oven is ideal for any high volume restaurant or food service establishment. Constructed of stainless steel, this oven operates with a forced air, two speed fan motor system with a cool down feature. The interior of the oven has a 10 position rack guide and fits full size sheet pans. Electronic controls featuring a 60 minute timer and manual temperature knob. The double pane glass doors have a interlock switch that automatically turns the fan and burners off when they are opened. Includes stainless steel legs and adjustable bullet feet.

***Not suitable for installation in non-commercial or residential applications.**
