## Commercial Gas Range 6 Burners - 1 Griddle

Model #: **MR10-G24-C**

This commercial gas range has powerful 30,000 BTU cast iron burners. Each burner has a lift off head - individual pilot light - heavy duty 12" x 12" removable cast iron grate and individual instant light control knob. It is constructed with a stainless steel front, 24.75" high backriser and shelf, 6" adjustable stainless steel legs or casters and a ¾" NPT gas connection.

The standard oven is powered with a 30,000 BTU burner and comes with two easy to remove oven racks. It includes a porcelain oven liner for easy cleaning and a compression spring door hinge system for durability. The oven thermostat adjusts from 200°F - 500°F and is equipped with a flame failure safety device.

**Not suitable for installation in non-commercial or residential applications.**

### Warranty

1 year parts & labor
