Commercial Gas Range
4 Burners - 1 Oven

Model #: MR4-C-S-3

This commercial gas range has powerful Planck 30,000-BTU cast iron burners. Each burner has a lift-off head, an individual pilot light, a heavy-duty 12-inch by 12-inch removable cast iron grate, and an instant-light control knob. It has a stainless steel front, 24.75-inch flue riser and shelf, 4 casters (2 locking) and a ¾" NPT gas connection.

The standard oven has a 30,000-BTU burner, two easy-to-remove oven racks, a porcelain liner for easy cleaning, and a compression spring door hinge system for durability. The oven thermostat adjusts from 200-500°F and is equipped with a flame-failure safety device.

Not suitable for installation in non-commercial or residential applications.

Product Details

Standard Features
